- ☒ Signage posting a copy of the Social Distancing Protocol at each public entrance to the facility.

### B. MEASURES TO PROTECT EMPLOYEE HEALTH (CHECK ALL THAT APPLY TO THE FACILITY)

- ☒ Everyone who can carry out their work duties from home has been directed to do so.
- ☒ All employees have been told not to come to work if sick.
- ☒ Upon being informed that one or more employees test positive for, or has symptoms consistent with COVID-19 (case), the employer has a plan or protocol in place to have the case(s) isolate themselves at home and require the immediate self-quarantine of all employees that had a workplace exposure to the case(s). The employer's plan should consider a protocol for all quarantined employees to have access to or be tested for COVID-19 in order to determine whether there have been additional workplace exposures, which may require additional COVID-19 control measures.
- ☒ Symptom checks are conducted before employees may enter the workspace. Checks must include a check-in concerning cough, shortness of breath or fever and any other symptoms the employee may be experiencing. These checks can be done remotely or in person upon the employees' arrival. A temperature check should be done at the worksite if feasible.
- ☒ All employees that have contact during their shift(s) with the public or other employees are offered, at no-cost, a cloth face covering to be used at work when interacting with them.
- ☒ All desks or individual workstations are separated by at least six feet.
- ☒ Break rooms, restrooms, and other common areas are being disinfected frequently, on the following schedule:
  - ☐ Break rooms: No breaks; no break rooms
