In The Preschool

As we prepare to start another amazing year, the Preschool Parent Association would like to invite you to volunteer in your child's class and/or join one of our committees.

The role of the **Preschool Parent Association (PPA)** is to provide support to all the preschool parents. The PPA relies on parent involvement to make sure that we continue having such a great community at Temple Isaiah. That is why we encourage all of you to help volunteer this year. **EACH FAMILY IS EXPECTED TO VOLUNTEER A MINIMUM OF 5 HOURS PER YEAR.** There are many positions still available, some with more time commitment than others. Parents are encouraged to volunteer as class representatives for a variety of committees. All positions are essential to make this year's Preschool events, your experience and programs a success!

Please email your request or questions to Rachel Kallack, Samantha Rapkin, Erin Felman and Jana Neil at PPA@Templeisaiah.com with your 1st, 2nd, and 3rd choice in order of preference, your full name, the name of your child, and the class you want to volunteer for. You will be emailed a confirmation of your position. Thank you for choosing Temple Isaiah. We are grateful and blessed to have you part of our community. On the next page is a list of the positions you can volunteer for.

If you would like more information, have questions, thoughts, ideas or just need to talk through these positions, please feel free to email ppa@templeisaiah.com. We are more than happy to help you find a meaningful way to volunteer and connect with our community.

KITCHEN REMODEL

Chair: Kerin Nash & Eric Beegun

Co-Chairs: Needed

Classroom Representatives: Marni Issacs, Naz Farahdel, Carinne Tzadik, Noa Klein, Eric Beegun, Wanda Jones, Jana Neil

We're thrilled to announce a new committee this year to help build Tamar's dream kitchen for Temple Isaiah. Remodeling the kitchen is a temple-wide project but this committee is dedicated to fundraising within the preschool. The dream is to create a cooking program to integrate into the preschool curriculum with a new, modern, and child-friendly learning space. The kitchen is the heart of any home, and we hope to make Temple Isaiah's new kitchen a place where we all look forward to cooking shabbat dinners, making challah and gathering to celebrate holidays and milestones.

The Chair of this committee will sit on the temple-wide Kitchen Remodel Committee, along with the current PPA presidents and former members of the preschool who are dedicated to building this space in honor of Tamar's 20 years of service to Temple Isaiah. The Chair will help develop preschool-specific fundraising programs and events to raise money for this special project. This is a 1–2-year commitment depending on how long the remodel takes.

Co-Chairs and class representatives will help with fundraising events and promotion within their classes.
