You've just walked on ahead of me
And I've got to understand
You must release the ones you love
And let go of their hand.
I try and cope the best I can
But I'm missing you so much
If I could only see you
And once more feel your touch.
Yes, you've just walked on ahead of me
Don't worry I'll be fine
But now and then I swear I feel
Your hand slip into mine. (anonymous)

SHANA TOVA

FROM CHAIVILLAGELA

*Helping people to live well and joyfully within a
community of friends, support and Jewish values.*

During this season of reflection, ChaiVillageLA members give heartfelt thanks to Temple Isaiah and Temple Emanuel for nurturing a vibrant community of energetic, joyful adults who uplift and care for one another. As we journey through life together, we are deeply grateful to share in the spirit and connections of ChaiVillageLA.

Judie Rice was a profoundly dedicated individual who poured years of her life into the sacred task of developing the Yizkor Memorial book for her community - honoring the memory of those we've lost. Her tireless work on this project was a labor of love, embodying a deep commitment to preserving Jewish tradition and ensuring that the stories and names of the deceased would never be forgotten. Through her efforts, the memorial book stands as a vital testament to the community's history and enduring spiritual connection to its past.
